ABOUT ME

Enthusiastic and dynamic, I am Kunal Das, a passionate Computer Science and Engineering student at HKBK College of Engineering. I have immersed myself in diverse courses, from web development to networking, enriching my skill set. Through my projects and achievements, I strive to bridge the gap between theoretical knowledge and practical implementation. Beyond coding, I find joy in participating in quiz competitions, a testament to my holistic approach to personal and academic growth.

EDUCATION

B.E in Computer Science and Engineering 2020 - 2024
HKBK College of Engineering, Karnataka, India
- CGPA of **7.46**/10

Higher Secondary Board of Education 2018 - 2020
Narayana Junior College, Telangana, India
- CGPA of **8.4**/10

TECHNICAL SKILLS

UI - HTML, CSS, JavaScript
Services - Python, Java, C
Middleware - REST, SOAP
Databases - MySQL/MSSQL, Mongo, JSON, XML
Frameworks - Flask, Spring Boot
Server - Apache Tomcat, Xampp
Tools - GITHUB
OS - Windows, Linux, Android
AI/ML - numpy, NLP
Specialization - Web application

PROJECTS

E-commerce Site using SQL
- Developed a fully functional e-commerce website with SQL database integration.
- Implemented features for product catalog, user authentication, and order processing.

My Portfolio
- Created a Portfolio website in HTML,CSS,Javascript.
- Utilized the data components using Assests and more.

Typing Test webapp
- Frontend Development: The project showcases proficiency in frontend web development technologies such as HTML, CSS, and JavaScript.
- JavaScript Logic: The project includes JavaScript code to handle the logic of the typing test, such as generating random sentences, calculating typing speed, and displaying results.

Car Rental using Java Swing
- Developed a car rental system with Java Swing for the graphical interface.
- Implemented features such as booking, inventory management, and user authentication.

API Webapp Usage
- This is a simple API Integration project using HTML,CSS.

CERTIFIED COURSES		
	• **Quiz Competition: Implementation of National Education Policy**	2020
	• **C Programming for Beginners: Master the C Language** - Udemy	2021
	• **SQL** - Sololearn	2022
	• **Introduction to Python** - Sololearn	2022
	• **30 Days of Code - Gold Badge** - HackerRank	2022
	• **Student Development Program: Angular JS and Node JS** - HKBKCE with ISTE	2023
	• **Learn CCNA 200-301 Network Fundamentals Online** - Simplilearn	2023

ACHIEVEMENTS AND AWARDS

- **Core Skills for Competitive Programming**
- 5 Day's certification program on HTML & PHP on Web Development
- Won the *Generative AI* award

CONFERENCES AND WORKSHOPS

- **5 Day's Certification Program on HTML & PHP on Web Development**
- **Bangalore Tech SUMMIT 2023**
- **Student Development Program: Angular JS and Node JS 2023**
- **Software Testing Conference 2022**
